Summer Solstice Celebrations

Last year during Summer Solstice (21 June), I was in Germany visiting my cousins on my father's side for the first time. I went to the Externsteine the day before and had an unforgettable experience including a strong vortex and meeting an incredible individual by the name of Andreas Hauer. There is a great story and some pictures on the website at: <https://mediumspiritual.com/blogs/travel-blog/>

The summer solstice in the Northern Hemisphere is the day with the most daylight hours and marks the official beginning of summer, and the winter solstice in the Southern Hemisphere is the day with the fewest daylight hours. It symbolizes the continuous journey from darkness to light.

For the first time, we had a **Psychic/Mediumship Workshop Level 2** at the Center of Light in Huntsville, Alabama, on 13 May 2023. People with many interesting abilities and knowledge were present. The group wasted no time deciding to meet on a monthly basis to learn and grow together as a like-minded soul family. What a great day it was!

If anybody else is interested in starting a Spiritual Development Circle, there are two places on the website that you can go. You can find the generic listing under workshops and you can also list under your specific workshop blog if you only want the group to contain those who attended the same workshop. There is a free booklet available for download at <https://mediumspiritual.com/uncategorized/workshops-blog/> to help you serve as a guide.

We are going to set up a general workshop blog in the near future where all attendees of past workshops can communicate. You will also have the option to go to your individual workshop blog.

In case you have missed the Beginner's Workshop, there is a 4 hour long **Psychic / Mediumship Workshop video** recording from 24 September 2022 available at: <https://mediumspiritual.com/library/psychicmediumship-workshop-video/>

The next fun Live Zoom Event is on 20 May 2023 at NOON CST. People love to know what the future might hold via a **Tarot Card Reading**. Everybody who joins will receive a message! There is a small fee of only \$11.00 and the Zoom link will be sent after you register and pay at: <https://mediumspiritual.com/event/tarot-card-reading/>

On 29 July 2023 there will be an In-Person Trance Healing event at the Center of Light from 9am – 4pm. It is donation based. Each session lasts about 30 minutes. You can either sign up at the Center of Light or contact me directly at 256-426-1975. In case you miss this event, a Trance Healing service is available in-person or remote. Check it out at: <https://mediumspiritual.com/services/trance-healing-in-person/>

Trance Healing is a very powerful method of spiritual healing. It's a form of Mediumship. It works on the emotional, mental, and spiritual level, but it's not uncommon to receive a physical healing.

[MediumSpiritual.com](https://mediumspiritual.com) was created with YOU in mind -- a safe place to talk with like-minded people about anything spiritual. This website is to honor Spirit and to help YOU learn, grow, and to connect to the Divine source.
