May I show you some signs?

The universe, angels, guides, and loved ones like to send signs to get your attention. But are you noticing them or are you just brushing them off? Calling them coincidences? Signs are usually very direct. You can also ask for a specific sign if you are making a decision. Try it! In my readings I have encountered sunflowers, cardinals, feathers, dimes, rainbows, flickering lights, etc. I see angel numbers which are repetitive numbers every day. Every time that happens, I pause and give thanks to the universe for the messages.

I recommend the following book to help understand spiritual signs in our lives: **Signs – The Secret Language of the Universe** by **Laura Lynne Jackson**. You can find it under <https://mediumspiritual.com/library/signs-the-secret-language/>

We have been very busy providing you with more videos, recordings, and adding another Service called **Trance Healing**. Trance Healing is a very powerful method of spiritual healing. It's a form of Mediumship. It works on the emotional, mental, and spiritual level, but it's not uncommon to receive a physical healing.

This newest service is available in-person or remote. Check it out at:

My absolute favorite video is finally posted. I know it's a little bit early for Halloween, but I dare you get it anyway!

The Live Zoom Event on 8 April 2023 with Psychic Jen Stephenson was fantastic! Jen is an amazing Tarot Card Reader. She does Cleansing/Blessing Ceremonies and teaches Metaphysical Classes. **Topic** of discussion: **Energy and Intention**. The recording is now available at <https://mediumspiritual.com/events/live-events/energy-and-intention-live-zoom-recording/>

The **Free Event at Lowe Mills** this month was a blast! I talked about the difference between a Psychic and Medium. A good friend of mine, Jim Caudle, who owns a beautiful jewelry/crystal store with his sister Sherry at Lowe Mills, Suite 104, attended my presentation. Jim also talked about Crystal Healing which was very informative. He creates the most unique and stunning art from nature. I have several pieces. You may see him as a future guest speaker in one of the Monthly Zoom Events.

Another upcoming exciting Event is the **Celebration of Light Workers on 29 April 2023 at the Dream Maker**. There will be talented Intuitives, Unique Vendors, Speakers (including myself at 12:30pm), Aura Photography and more . . . Come and enjoy a fun day from 10:00 am to 5:30 pm; only \$5.00 entry fee.

Upcoming Psychic/Mediumship Workshop Level 2 is on 13 May 2023 for the first time at the Center of Light in Huntsville, AL. Come, learn and develop as we go deeper into unlocking your psychic and mediumistic abilities. The workshop is filled with several practice readings to make sure you develop the confidence and trust in the messages you receive and how to deliver them to your "Sitter" (person you are doing a reading for). This workshop is filling up fast!
